CDS Complete Website Starter Package

Thinking of making a website, but don't want to spend a lot to get started? We offer this website starter package to get you up and running on the web with an up to five page website based on one of our six website [templates](#) for only \$695. That's hundreds of dollars in savings!

We understand the complexities and intricacies inherent to website design. We walk you through the entire process, from finding a domain name, to designing the perfect site for you, and finally releasing it for the world to see. Our websites are developed using Microsoft ASP.net web technologies, and adhere to World Wide Web Consortium (W3C) standards regarding web interoperability. This means your website will display properly in all of the major web browsers and be built using a platform that will allow integration of more complex functionality later.

We know the realities of web development often mean that what is decided on paper doesn't always translate well to the web. That is why we contact you after each update with a link to your site so you can review the additions or changes and provide. We call it "Website Refinement". This allows us to make sure the website is being custom made for you and you to be closely involved during the development process from beginning to end.

This package includes:

- ❖ Consulting to guide you through what you need to know about a website
- ❖ Domain name search
- ❖ Design process, including meetings and collaboration
- ❖ Up to five pages based on the template you choose (Additional pages are subject to additional fees)
- ❖ Website Refinement
- ❖ Use of the Latest Development technologies from Microsoft.
- ❖ Standards Compliance

Optional components:

- ❖ Dynamic content like Adobe Flash, AJAX, pull down menus, or other special effects
- ❖ Search Engine Optimization
- ❖ Online forms
- ❖ Login and SSL site security
- ❖ Ad banners
- ❖ Web Applications, including Database and Software design and development
- ❖ Web reports
- ❖ Hosting
- ❖ Domain name registration

*Additional charges may apply.
